**IMPORTANT INFORMATION**

**Include a List of Entries** - Please send a list of the varieties you are entering that specifies the *desired planting location for each variety (Shade/Sun/Part Sun)*. You should also indicate any special growing requirements for specific varieties, such as requests to pinch or not pinch certain varieties, etc. **Please type names of entries as you would like them to appear in trial displays (trademark symbols, spelling, etc.)**. Use the back of this form or attach a list that includes *all requested information*.

**Pinching** – Varieties will be pinched as needed for trial uniformity unless otherwise indicated.

**New Varieties** - If you would like to have your varieties that are new for this year designated as such in our trials, please be sure to include this information in your list of varieties.

**Shipment Dates:**

ALL SEED should be delivered to CSU no later than **December 31, 2020**. (week 5) Please arrange to have rooted cuttings delivered to CSU during February (Weeks 6-9) and 4" plants delivered during March (Weeks 10-14) 2020.

\*We are unable to root cuttings at our University Greenhouse due to our lack of propagation facilities. If at all possible send rooted cuttings. If you are only able to send unrooted cuttings we can work with you to find a rooting station in Colorado.

Please return this entry form no later than **December 15, 2020** to:
